**** Fingerprint Quality – 1st Choice uses the best equipment available to the industry. However, the quality of the fingerprints on the card will determine if they are accepted or rejected. We routinely receive smudges where there should be fingerprints. If your fingerprints are determined to be AFIS unacceptable and rejected, you will need to send another set of fingerprints along with a resubmission fee of \$55. We encourage applicants to have the fingerprints digitally captured and printed to the cards.**

Please do not submit your application for license to the state until you receive the TCN number from us. The TCN number on the forms the State sends out are not correct for this purpose.
